Welcome to the Oxley Region Amateur Radio Club Inc. (ORARC) 49th Annual Field Day.

The Oxley Region Amateur Radio Club Inc. was formed in 1971. A major objective of the club is to promote and foster the hobby of Amateur Radio. Since its formation the Oxley Region Amateur Radio Club has been continuously actively recruiting newcomers to the hobby. The club has an enviable ongoing record of success in conducting training classes to enable newcomers to obtain their call signs and get on the air. The club regularly conducts the licence exams locally. The entry level Foundation Licence has become very popular and the club regularly conducts a weekend training class which includes the assessment to qualify for the licence.

The club participates in various public service activities such as the Scouts and Guides annual Jamboree on the Air. The club has a communications caravan which is used for both the public service communications training exercises, and to participate in Amateur Radio contests.

Please enjoy the Field Day. If you would like to learn more about Amateur Radio please look at the Wireless Institute of Australia (WIA) website www.wia.org.au. If you would like to obtain your licence through classes at Port Macquarie please contact the Oxley Region Amateur Radio Club Inc. (ORARC) at PO Box 712, Port Macquarie NSW 2444. More information and a contact form are available on the club's website www.orarc.org

The club meets twice per month in the SES building in Central Road, Port Macquarie.

The monthly general meeting is at 2pm on the first Saturday of each month.

A get together is held at 7pm on the 3rd Friday of each month.

Coffee Morning at 10am on the second Thursday of each month at The Hill Café, Thrumster.

Visitors are always welcome at these meetings.
